

KATIE A. MCLAUGHLIN

Stress & Development Laboratory
Department of Psychology, Harvard University
33 Kirkland Street, Cambridge, MA 02138
Phone: 617-496-1468; Email: kmclaughlin@fas.harvard.edu
Lab website: <https://sdlab.fas.harvard.edu>

EDUCATION

- Ph.D. 2008 Yale University, Department of Psychology
- Ph.D. 2008 Yale University, Department of Epidemiology & Public Health
- M.Phil 2006 Yale University, Department of Psychology and Department of Epidemiology & Public Health
- M.S. 2004 Penn State University, Department of Psychology
- B.A. 2002 University of Virginia, *summa cum laude*

ACADEMIC APPOINTMENTS

- 2020 – Associate Professor of Psychology, Harvard University
- 2018 – 2020 Assistant Professor of Psychology, Harvard University
- 2016 – 2018 Associate Professor of Psychology, University of Washington
- 2016 – 2018 Adjunct Associate Professor of Pediatrics and Psychiatry, University of Washington
- 2013 – 2016 Assistant Professor of Psychology, University of Washington
- 2013 – 2016 Adjunct Assistant Professor of Pediatrics and Psychiatry, University of Washington
- 2011 – 2013 Assistant Professor of Pediatrics & Psychiatry, Harvard Medical School
- 2011 – 2013 Associate Research Scientist, Boston Children's Hospital
- 2011 – 2013 Affiliated Faculty, Harvard Center on the Developing Child
- 2011 – 2013 Affiliated Faculty, Harvard Center for Population and Development Studies
- 2010 – 2011 Instructor of Health Care Policy, Harvard Medical School
- 2008 – 2010 Robert Wood Johnson Health & Society Scholar, Harvard Center for Population and Development Studies

- 2008 – 2010 Research Fellow, Department of Society, Human Development, & Health, Harvard School of Public Health
- 2008 – 2010 Postdoctoral Fellow, Department of Health Care Policy, Harvard Medical School
- 2007 - 2008 Clinical Fellow, Department of Psychiatry, Harvard Medical School

HONORS AND AWARDS

- 2020 MERIT Award, National Institute of Mental Health
- 2016-2019 Web of Science Highly Cited Researcher (citations in the top 1% of Psychiatry/Psychology)
- 2017 *Neuropsychopharmacology* Editor's Award for Transformative Original Report (NEATOR)
- 2016 Distinguished Scientific Award for Early Career Contribution to Psychology, American Psychological Association (APA)
- 2016 Gerald R. Klerman Award for Outstanding Clinical Research Achievement, Brain and Behavior Foundation
- 2015 Jacobs Foundation Early Career Research Fellowship
- 2014 Susan Nolen-Hoeksema Early Career Award, Society for the Science of Clinical Psychology (SSCP)
- 2013 Chaim & Bela Daniel Early Career Award, International Society for Traumatic Stress Studies (ISTSS)
- 2013 Columbia University Psychiatric-Neurological Epidemiology Young Investigator Award
- 2012 Charles H. Hood Foundation Child Health Research Award
- 2011 Career Development Award, National Institute of Mental Health
- 2010 Jacobs Foundation Young Scholar Award
- 2008 Robert Wood Johnson Health & Society Scholar
- 2006 National Research Service Award, National Institute of Mental Health
- 2002 University Graduate Fellowship, Pennsylvania State University
- 2002 Phi Beta Kappa, Psi Chi, Golden Key Honor Societies, University of Virginia

CURRENT GRANT SUPPORT

R37-MH119194

National Institute of Mental Health – MERIT Award

“Neurodevelopmental Mechanisms Underlying Stress Vulnerability in Adolescence”

2020-2030, Total Costs: \$9,034,169

Role: Principal Investigator

R56-MH119194

National Institute of Mental Health

“Neurodevelopmental Mechanisms Underlying Stress Vulnerability in Adolescence”

2019-2020, Total Costs: \$1,509,827

Role: Principal Investigator

Dean’s Competitive Fund

Harvard University

“Developing a Targeted Prevention Intervention for Children Exposed to Trauma”

2019-2021, Total Costs: \$48,288

Role: Principal Investigator

United Health Group

“Preventing the Long-Term Consequences of Childhood Adversity: Screening and Early Intervention in Pediatric Primary Care”

2019-2020, Total Costs: \$397,259

Role: Principal Investigator

R01-MH115004

National Institute of Mental Health

“Do Dimensions of Adversity Differentially Predict Neural Development and Psychopathology in Young Children?”

2018-2023, Total Costs: \$3,745,070

Role: Co-Investigator

R01-MH106482

National Institute of Mental Health

“Deprivation and Threat: Dimensions of Early Experience and Neural Development”

2016-2020, Total Costs: \$3,339,008

Role: Principal Investigator

R01-MH103291

National Institute of Mental Health

“Child Maltreatment and the Development of Neural Systems Underlying Emotion Regulation”

2014-2020, Total Costs: \$2,934,163

Role: Principal Investigator

Jacobs Foundation

Capturing Close Contact with Caregivers Using Proximity Measurement

2018-2020, Direct Costs: \$200,000

Role: Co-Investigator (PI: Kathryn Humphreys)

MENTORED GRANTS

K99-HD099203

National Institute of Child Health and Human Development

“The Neurodevelopmental Mechanisms linking Environmental Experience and Executive Function”

Mentee: Maya Rosen (post-doc); 2020-2022

Role: Sponsor

NSF Graduate Research Fellowship

National Science Foundation

“Violence Breeds Violence: Exploring Reward Processing as a Mechanism”

Mentee: Steven Kasperek (graduate student); 2019-2022

Role: Sponsor

F31-MH116559

National Institute of Mental Health

“Impaired Hippocampus-Dependent Associative Learning as a Novel Mechanism Underlying PTSD”

Mentee: Hilary Lambert, PhD (graduate student); 2018-2021

Role: Sponsor

NSF Graduate Research Fellowship

National Science Foundation

“Concealing an Identity in Hostile vs. Accepting Environments”

Mentee: Lily Durwood (graduate student); 2018-2021

K23-MH112872

National Institute of Mental Health

“Targeted Intervention for Adolescents following Child Maltreatment: Examining Neural and Behavioral Mechanisms within the Positive Valence System”

Mentee: Jessica Jenness, PhD (Assistant Professor); 2017-2022

Role: Sponsor

F32-MH114317

National Institute of Mental Health

“Neurodevelopmental Mechanisms linking Childhood Adversity with Adolescent Psychopathology: Pubertal Timing and Cortical-Limbic Circuitry”

Mentee: Natalie Colich, PhD (post-doc); 2017-2020

Role: Sponsor

NSF Graduate Research Fellowship

National Science Foundation

“Amygdala connectivity: Relationships between threat perception and persecutory ideation”

Mentee: Stephanie DeCross (graduate student); 2017-2020

F32-HD089514

National Institute of Child Health and Human Development

“Long-Term Memory-Guided Attention: Development, Environmental Factors, and Neural Underpinnings”

Mentee: Maya Rosen, Ph.D. (post-doc); 2017-2020

Role: Sponsor

F32-MH108238

National Institute of Mental Health

“Child Trauma, Neural Systems Underlying Emotion Regulation, and Adolescent Suicide”

Mentee: Adam Miller, Ph.D. (post-doc); 2015-2018

Role: Sponsor

Doris Duke Fellowship for the Promotion of Child Well-Being

“Child Maltreatment and Neurobiological Underpinnings of Social Cognition”

Mentee: Charlotte Heleniak (graduate student); 2015-2017

F31-MH108245

National Institute of Mental Health

“Child Maltreatment and Neurobiological Underpinnings Of Social Cognition”

Mentee: Charlotte Heleniak (graduate student); 2015-2017

Role: Sponsor

COMPLETED GRANT SUPPORT**R01-MH091363**

National Institute of Mental Health

“Effects of early psychosocial deprivation on mental health in adolescence”

2014-2019, Direct Costs: \$3,233,345

Role: Co-Investigator (PI: Charles Nelson)

Jacobs Foundation Early Career Research Fellowship

Mechanisms Linking Childhood Adversity with Psychopathology

2016-2019, Total Costs: \$150,000

Role: Principal Investigator

Administrative Supplement to R01-MH103291

National Institute of Mental Health

“Child Maltreatment and the Development of Neural Systems Underlying Emotion Regulation”

2016-2019, Total Costs: \$687,759

Role: Principal Investigator

Administrative Supplement to R01-MH103291

National Institute of Mental Health

“Child Maltreatment and the Development of Neural Systems Underlying Emotion Regulation”

2015-2019, Total Costs: \$102,364

Role: Principal Investigator

R01-MD009719

National Institute on Minority Health and Health Disparities

“Mechanisms underlying racial/ethnic disparities in mental disorders”

2015-2019, Total Costs: \$2,152,762

Role: Co-Investigator (PI: Margarita Alegria)

Rising Star Research Award, One Mind Institute

“Neural Mechanisms of Stress Vulnerability Underlying Anxiety and Depression in Youth”

2015-2018, Total Costs: \$250,000

Role: Principal Investigator

Raikes Foundation

“Social and Environmental Influences on Children’s Motivation for Learning: The Role of Childhood Adversity”

2017-2018, Total Costs: \$16,788

Role: Principal Investigator

NARSAD Young Investigator Grant

Brain and Behavior Foundation

“Child Maltreatment and the Development of Neural Networks Underlying Emotion Regulation: A Neurodevelopmental Pathway to Anxiety and Depression”

2014-2016, Total Costs: \$60,000

Role: Principal Investigator

K01-MH092526

National Institute of Mental Health, Career Development Award

“Child Adversity and the Developmental Epidemiology of Mood and Anxiety Disorders”

2011-2016, Total Costs: \$898,180

Role: Principal Investigator

Research Royalty Fund, University of Washington

“Violence Exposure and the Development of Neural Networks Underlying Social Cognition”

2014-2015, Total costs: \$40,000

Role: Principal Investigator

Research Network on Later-Life Interventions to Reverse Effects of Early Life Adversity

National Institute on Aging, U24AG047867 sub-contract

“Improving the Conceptualization and Measurement of Childhood Adversity in Health Research: A Dimensional Approach”

2017-2018, Total Costs: \$15,000

Role: Principal Investigator

R01-MH093612

National Institute of Mental Health

“The Cross-National Epidemiology of Trauma Exposure and PTSD”

2011-2015, Total Costs: \$2,015,583

Role: Co-Investigator (PI: Karestan Koenen)

Bezos Family Foundation

“Identifying Sensitive Periods in Executive Functioning”

2013-2015, Total Costs: \$60,000

Role: Co-Investigator (PI: Jack Shonkoff)

Charles H. Hood Foundation Child Health Research Award

“Neurobiological Mechanisms Linking Adverse Childhood Experiences to Adolescent Mental Disorders”

2012-2013, Total Costs: \$150,000

Role: Principal Investigator

Jacobs Foundation Young Scholar Award

“Self-Regulation and Sensitivity to Context as Determinants of Psychopathology in Adolescence”

2011-2013, Total Costs: \$139,272.50

Role: Principal Investigator (Co-PIs: Kevin King, Kathryn Monahan)

Children’s Hospital Boston Collaborative Center for Community Research Pilot Grant Program

“Development of a Stress Reduction Intervention for the Boston Public Schools”

2011-2015, Total Costs: \$20,000

Role: Principal Investigator

Administrative Supplement to R01-MH091363

National Institute of Mental Health

“The relation between early psychosocial deprivation and mental health at 12 years”

2011-2014: Direct Costs: \$167,919

Role: Co-Investigator (PI: Charles Nelson)

Columbia Population Research Center

“Biological Embedding of Social Stress in Lesbian, Gay, and Bisexual Populations”

2011-2014, Total Costs: \$10,000

Role: Co-Investigator (PI: Mark Hatzenbuehler)

Robert Wood Johnson Foundation

“Childhood Origins of Health Disparities: Stress exposure, Stress Reactivity and Psychopathology”

2010-2011, Total Costs: \$30,000

Role: Principal Investigator

Robert Wood Johnson Foundation

“Developmental Epidemiology of Adverse Health Outcomes in Sexual Minority Youth”

2010-2011, Total Costs: \$10,000

Role: Principal Investigator

Robert Wood Johnson Foundation

“Genotype by Social Environment Interactions as Predictors of Disparities in Trauma-Related Outcomes in Hurricane Katrina”

2010-2011, Total Costs: \$30,000

Role: Co-Investigator (PI: Karestan Koenen)

Robert Wood Johnson Foundation

“Early Life Risk Factors for PTSD Onset and Associated Long-Term Health Consequences”

2009-2011, Total Costs: \$10,000

Role: Principal Investigator

Robert Wood Johnson Foundation

“Social Determinants of Psychiatric Disorder: The Role of Inequality”

2008-2009, Total Costs: \$10,000

Role: Principal Investigator

F31-MH076550

National Institute of Mental Health, National Individual Research Service Award (NRSA)

“Primary Prevention of Anxiety and Depression”

2006-2007, Total Costs: \$51,414

Role: Principal Investigator

Yale Institute for Social and Policy Studies

“Primary Prevention of Anxiety and Depression”

2005-2007, Total Costs: \$75,000

Role: Principal Investigator

TEACHING

The Science of Stress (PSY1809); Harvard University

Professional Ethics (PSY3900); Harvard University

Developmental Psychopathology (Psych 571); University of Washington

Affective Neuroscience (Psych 544B); University of Washington

Co-Instructor; Core Concepts in Cognitive Neuroscience (Psych 506A); University of Washington

INVITED TALKS

McLaughlin, K.A. (February, 2021). Neurodevelopmental mechanisms linking childhood adversity with psychopathology across the life-course. Departmental Colloquium, Northwestern University.

McLaughlin, K.A. (November, 2020). Neurodevelopmental mechanisms linking childhood adversity with psychopathology across the life-course. Neuroscience and Cognitive Science Seminar Series, University of Maryland.

McLaughlin, K.A. (October, 2020). Neurodevelopmental mechanisms linking childhood adversity with psychopathology across the life-course. Department of Psychology, Vanderbilt University.

McLaughlin, K.A. (September, 2020). Neurodevelopmental mechanisms linking childhood adversity with psychopathology across the life-course. Grand Rounds, Department of Child Psychiatry, Brown University Medical School.

McLaughlin, K.A. (April, 2020). Neurodevelopmental mechanisms linking childhood adversity with psychopathology across the life-course. Keynote Speaker, Clinical Science and Psychopathology Research Program, Annual Research Symposium, Department of Psychology, University of Minnesota.

McLaughlin, K.A. (March, 2020). Neurodevelopmental mechanisms linking childhood adversity with psychopathology across the life-course. Developmental Psychology Speaker Series, Brown University.

McLaughlin, K.A. (March, 2020). Neurodevelopmental mechanisms linking childhood adversity with psychopathology across the life-course. Neuroimaging and Neuropsychology Lecture Series, Boston Veterans Administration (VA) Healthcare System.

McLaughlin, K.A. (March, 2020). Neurodevelopmental mechanisms linking childhood adversity with psychopathology across the life-course. Departmental Colloquium Speaker, Florida State University.

McLaughlin, K.A. (February, 2020). Neurodevelopmental mechanisms linking childhood adversity with psychopathology across the life-course. Grand Rounds Speaker, Massachusetts General Hospital, Department of Psychiatry.

McLaughlin, K.A. (December, 2019). Neurodevelopmental mechanisms linking childhood adversity with psychopathology across the life-course. Mental Health Seminar Series, Harvard School of Public Health.

McLaughlin, K.A. (November, 2019). Neurodevelopmental mechanisms linking childhood adversity with psychopathology across the life-course. Grand Rounds; Distinguished Visiting Lecturer Series, Department of Psychiatry, University of California at San Francisco.

McLaughlin, K.A. (October, 2019). Neurodevelopmental mechanisms linking childhood adversity with psychopathology across the life-course. Departmental Colloquium Speaker, Washington University of St. Louis.

McLaughlin, K.A. (October, 2019). Neurodevelopmental mechanisms linking childhood adversity with psychopathology across the life-course. Clinical Science Colloquium Speaker, Department of Psychology, Yale University.

McLaughlin, K.A. (September, 2019). Neurodevelopmental mechanisms linking childhood adversity with psychopathology across the life-course. Perspectives on Trauma Speaker Series, Department of Psychiatry, McLean Hospital.

McLaughlin, K.A. (September, 2019). Neurodevelopmental mechanisms linking childhood adversity with psychopathology across the life-course. Departmental Colloquium Speaker, University of Wisconsin.

McLaughlin, K.A. (June, 2019). Future Directions in Childhood Adversity and Youth Psychopathology. Keynote Speaker, Journal of Clinical Child and Adolescent Psychology Future Directions Forum. Washington, DC.

McLaughlin, K.A. (May, 2019). Effects of Stress and Early Experience on the Adolescent Brain. Advances in Adolescent Neurodevelopment Symposium. Department of Psychology, University of California at Los Angeles.

McLaughlin, K.A. (May, 2019). The Long Shadow of Childhood Adversity: Consequences for Children's Brain and Behavioral Development. Public lecture on potential consequences of family separation at U.S. border, University of California at Los Angeles.

McLaughlin, K.A. (May, 2019). Neurodevelopmental mechanisms linking childhood adversity with psychopathology across the life-course. Keynote Speaker, Partners Population Health Annual Meeting. Boston, MA.

McLaughlin, K.A. (March, 2019). Neurodevelopmental mechanisms linking childhood trauma with anxiety and depression. Anxiety and Depression Association of America 2019, Science Spotlight. Chicago, IL.

McLaughlin, K.A. (December, 2018). Neurodevelopmental mechanisms linking childhood adversity with psychopathology. Department of Psychology, Florida International University.

McLaughlin, K.A. (August, 2018). Dynamic fluctuations in brain function following stressful life events: Neural mechanisms linking stress with psychopathology. Invited speaker: Flux Society for Developmental Cognitive Neuroscience Annual Meeting. Berlin, Germany.

McLaughlin, K.A. (May, 2018). Developmental Mechanisms Underlying Resilience following Childhood Trauma. Department of Psychiatry, University of California at San Francisco. San Francisco, CA.

McLaughlin, K.A. (May, 2018). Neurodevelopmental Mechanisms Underlying Socioeconomic Disparities in Academic Achievement and Mental Health. Invited Speaker on the Science of Inequality: 30th Annual Association for Psychological Science Annual Convention. San Francisco, CA.

McLaughlin, K.A. (May, 2018). Neural Plasticity following Early Life Adversity. Department of Radiology, University of Washington School of Medicine.

McLaughlin, K.A. (April, 2018). Neurodevelopmental Mechanisms linking Early Adversity with the Adolescent Psychopathology. Department of Psychology, University of California at Berkeley. Berkeley, CA.

McLaughlin, K.A. (March, 2018). Neurodevelopmental Mechanisms linking Environmental Experience with the Onset of Psychopathology. Department of Psychology, University of British Columbia. Vancouver, BC.

McLaughlin, K.A. (November, 2017). Neurodevelopmental Mechanisms linking Environmental Experience with the Onset of Psychopathology. Department of Psychology, University of Michigan. Ann Arbor, MI.

McLaughlin, K.A. (July, 2017). The Neuroscience of Trauma and Adversity. University of Southern California, Annenberg School of Journalism. Los Angeles, CA.

McLaughlin, K.A. (April, 2017). Learning from experience: How does the developing brain adapt to environmental adversity? 12th Annual Allen L. Edwards Public Lecture. Department of Psychology, University of Washington. Seattle, WA.

McLaughlin, K.A. (April, 2017). Adolescence as a time of risk and resilience following early adverse social experiences. Invited Presidential Symposium: A social neuroscience perspective on adolescent learning and adaptation. Society for Research on Child Development Biennial Meeting. Austin, TX.

McLaughlin, K.A. (March, 2017). The Neuroscience of Adversity. Columbia School of Journalism: Dart Center for Journalism and Trauma, Global Reporting Institute: Early Childhood Experience and the Developing Brain. New York, NY.

McLaughlin, K.A. (January, 2017). Advancing the conceptualization and measurement of childhood adversity: A dimensional approach. National Institute of Health; Meeting of the Network on the Reversibility of the Health Consequences of Childhood Adversity.

McLaughlin, K.A. (January, 2017). Caregiver adversity and neurodevelopmental outcomes in children. 32nd Annual Mortimer D. Sackler Winter Conference in Developmental Psychobiology. Providenciales, Turks & Caicos.

McLaughlin, K.A. (August, 2016). Neurodevelopmental Mechanisms linking Early Adversity with Youth Psychopathology: Threat and Deprivation. Jacobs Foundation meeting on Sensitive Periods in Development. Erice, Sicily.

McLaughlin, K.A. (June, 2016). Trauma Exposure and Threat Processing across Development. Center for Integrative Neuroscience Annual Symposium, 2016 topic: “Neural Substrates of Fear,” University of Washington.

McLaughlin, K.A. (April, 2016). Neurodevelopmental Mechanisms linking Childhood Adversity to Mental Disorders across the Life Course. Keynote Speaker, University of Illinois at Chicago Cross Program Conference.

McLaughlin, K.A. (February, 2016). Neurodevelopmental Mechanisms linking Childhood Adversity to Mental Disorders across the Life Course. Departmental Colloquium, University of Pennsylvania.

McLaughlin, K.A. (November, 2015). Neurodevelopmental Mechanisms linking Childhood Adversity to Mental Disorders across the Life Course. Departmental Colloquium, Vanderbilt University.

McLaughlin, K.A. (May, 2016). Trauma and Threat Processing Across Development. Invited Talk co-sponsored by the Society for Research on Child and the Association for Psychological Science (APS) on the topic of “Frontiers in Social Neuroscience: Advancing Understanding of Human Development,” APS Annual Meeting, Chicago, IL.

McLaughlin, K.A. (October, 2015). Environmental Experience and Affective Processing Across Development. Invited Speaker, Developmental Affective Neuroscience Symposium, University of Pittsburgh, Pittsburgh, PA.

McLaughlin, K.A. (April, 2015). Environmental Experience and Emotion Regulation in Children. Invited “Flash Talk,” Society for Affective Science. Oakland, CA.

McLaughlin, K.A. (April, 2015). Child Trauma and Emotional Processing Across Development. Society for Affective Science Pre-Conference Workshop on Early Adversity, Oakland, CA.

McLaughlin, K.A. (March, 2015). Childhood Adversity and the Developing Brain: Using Neuroscience to Inform Effective Interventions. Keynote Speaker, Northwest Children’s Fund 30th Anniversary Forum, Town Hall, Seattle, WA.

McLaughlin, K.A. (March, 2015). Adverse Childhood Experiences. Leadership and Education in Adolescent Health Fellowship Program, Seattle Children’s Hospital, Seattle, WA.

McLaughlin, K.A. (December, 2014). Beyond Early Life Stress: Environmental Experience and Neural Development in Children. Harvard Department of Psychology Clinical Science Seminar, Boston, MA.

McLaughlin, K.A. (May, 2014). Neurodevelopmental Mechanisms Linking Adverse Childhood Experiences to Mental Disorders Across the Life Course. Columbia Mailman School of Public Health, Psychiatric-Neurological Epidemiology Cluster Seminar, New York, NY.

McLaughlin, K.A. & Sheridan, M.A. (October, 2014). Environmental experience and neural systems underlying emotion regulation. Invited “Flash Talk” at the Neuroscience and Youth Depression Conference, Chapel Hill, NC.

McLaughlin, K.A. (May, 2014). Beyond Early Life Stress: Dimensions of Early Experience and Neural Development. Keynote Speaker, University of Colorado-Denver’s Developmental Psychobiology Research Group Annual Conference, Denver, CO.

McLaughlin, K.A. (May, 2014). How Does Trauma Exposure and Adversity Influence Brain Development. Invited Webinar Presentation, Frontiers of Innovation, Harvard Center on the Developing Child.

McLaughlin, K.A. (December, 2013). Childhood Adversity, Self-Regulation, and Psychopathology: From Neurobiology to Intervention. Grand Rounds Speaker, Department of Psychiatry, Seattle Children’s Hospital, Seattle, WA.

McLaughlin, K.A. (November, 2013). Mechanisms Linking Adverse Childhood Experiences with Mood and Anxiety Disorders Across the Life Course. Section on Development and Affective Neuroscience, National Institute of Mental Health Intramural Research Program, Bethesda, MD.

McLaughlin, K.A. (August, 2013). Self-Regulation in the Peer Context. Jacobs Foundation Young Scholar’s Meeting, Zurich, Switzerland.

McLaughlin, K.A. (June, 2013). Mechanisms Linking Adverse Childhood Experiences with Mood and Anxiety Disorders Across the Life Course. National Center for PTSD, VA Boston Healthcare System, Boston, MA.

McLaughlin, K.A. (June, 2013). Neurobiological Mechanisms Linking Adverse Childhood Experiences to Mental Disorders Across the Life Course. Harvard School of Public Health Brain Health Colloquium, Boston, MA.

McLaughlin, K.A. (June, 2013). Neurons to Neighborhoods: Mechanisms Linking Adverse Childhood Experiences to Psychopathology Across the Life Course. Depression Clinical Research Program, Massachusetts General Hospital, Boston, MA.

McLaughlin, K.A. (October, 2012). Mechanisms Linking Adverse Childhood Experiences with Mood and Anxiety Disorders Across the Life Course. Center for Anxiety and Related Disorders, Boston University, Boston, MA.

McLaughlin, K.A. (March, 2012). Neurobiological Mechanisms Linking Adverse Childhood Experiences with Psychopathology Across the Life Course. Columbia Mailman School of Public Health, Psychiatric Epidemiology Seminar, New York, NY.

McLaughlin, K.A. (December 2011). Neurobiological Mechanisms Linking Adverse Childhood Experiences to Mental Health Problems. Robert Wood Johnson Health and Society Scholars Seminar, Harvard School of Public Health, Boston, MA.

McLaughlin, K.A. (November, 2011). The Long Shadow of Childhood Adversity: Mechanisms Linking Adverse Childhood Experiences with Psychiatric Disorders. Developmental Biopsychiatry Research Program, McLean Hospital, Belmont, MA.

McLaughlin, K.A. (October, 2011). Neurobiological Mechanisms Linking Adverse Childhood Experiences to Mental Health Problems. University of Groningen, Netherlands.

McLaughlin, K.A. (August, 2011). Mechanisms Linking Adverse Childhood Experiences with Mental Health Problems. Division of Adolescent Medicine, Boston Children's Hospital.

McLaughlin, K.A. (January, 2011). The Long Shadow of Childhood Adversity: Mechanisms Linking Adverse Childhood Experiences with Psychiatric Disorders. Psychiatric and Neurodevelopmental Genetics Unit, Massachusetts General Hospital, Boston, MA.

CONFERENCE TALKS

McLaughlin, K.A. (May, 2017). Neurodevelopmental Mechanisms of the Achievement Gap. Symposium presented at the Association for Psychological Science Annual Meeting. Boston, MA.

McLaughlin, K.A. (April, 2017). Enhanced salience of threat following trauma exposure in children. Symposium presented at the Society for Research on Child Development Biennial Meeting. Austin, TX.

McLaughlin, K.A. (November, 2015). Child trauma and fear conditioning across development. Symposium presented at the Annual Meeting of the International Society for Traumatic Stress Studies, New Orleans.

McLaughlin, K.A. & Sheridan, M.A. (March, 2015). Child Maltreatment and Neural Systems Underlying Emotion Regulation. Symposium presented at the Bi-Annual Meeting of the Society for Research in Child Development, Philadelphia.

McLaughlin, K.A. & Sheridan, M.A. (March, 2015). Physiological reactivity to stress following severe early-life deprivation. Symposium presented at the Bi-Annual Meeting of the Society for Research in Child Development, Philadelphia.

McLaughlin, K.A. & Sheridan, M.A. (November, 2014). Child Maltreatment and Neural Function in Systems Underlying Emotion Regulation. Symposium presented at the Annual Meeting of the International Society for Traumatic Stress Studies, Miami.

McLaughlin, K.A. & Sheridan, M.A. (November, 2014). Amygdala Response to Negative Emotional Stimuli Predicts PTSD Symptom Onset following a Terrorist Attack. Symposium presented at the Annual Meeting of the International Society for Traumatic Stress Studies, Miami.

McLaughlin, K.A., Sheridan, M.A., & Alves, S. (May, 2014). Low Vagal Tone Magnifies the Association between Psychosocial Stress Exposure and Internalizing Psychopathology in Adolescents. Symposium presented at the Annual Meeting of the Association for Psychological Science, San Francisco.

McLaughlin, K.A. & Sheridan, M.A. (April, 2014). Child Trauma and Emotion Regulation. Symposium presented at the Bi-Annual Meeting of the Society for Research on Adolescence, Austin, TX.

McLaughlin, K.A., Sheridan, M.A., & Alves, S. (November, 2013). Emotion regulation following psychosocial stress: A mechanism linking child maltreatment to adolescent psychopathology. Symposium presented at the Annual Meeting of the International Society for Traumatic Stress Studies, Philadelphia.

McLaughlin, K.A., Sheridan, M.A., & Alves, S. (November, 2013). Respiratory sinus arrhythmia predicts risk and resilience to internalizing psychopathology following childhood trauma. Symposium presented at the Annual Meeting of the International Society for Traumatic Stress Studies, Philadelphia.

McLaughlin, K.A., & Nolen-Hoeksema, S. (May, 2013). Social origins of rumination: The role of stressful life events. Symposium presented at the Annual Meeting of the Association for Psychological Science, Washington, DC.

McLaughlin, K.A., Sheridan, M.A., & Rith-Najarian, L. (April, 2013). Socio-economic status and autonomic nervous system reactivity to psychosocial stress in adolescents. Symposium presented at the Biannual Meeting of the Society for Research in Child Development, Seattle.

McLaughlin, K.A., Sheridan, M.A., & Alves, S. (April, 2013). Emotion regulation following psychosocial stress as a mechanism linking family and peer stressors to adolescent psychopathology. Symposium presented at the Biannual Meeting of the Society for Research in Child Development, Seattle.

McLaughlin, K.A., Koenen, K.C., & Kessler, R.C. (November, 2012). The developmental epidemiology of PTSD: Trauma exposure and PTSD in a national sample of US adolescents. Symposium presented at the Annual Meeting of the International Society for Traumatic Stress Studies, Los Angeles.

McLaughlin, K.A. & Hatzenbuehler, M.L. (March, 2012). Stress exposure disrupts emotion regulation in adolescents, resulting in increased risk of internalizing psychopathology. Symposium presented at the Biennial Meeting of the Society for Research on Adolescence, Vancouver.

McLaughlin, K.A., Hatzenbuehler, M.L., Conron, K.J., & Xuan, Z. (November, 2011). Disproportionate exposure to early-life adversity and sexual orientation disparities in psychiatric

morbidity. Symposium presented at the Annual Meeting of the Advancement for Behavioral and Cognitive Therapies, Toronto.

McLaughlin, K.A, Conron, K.J., & Gilman, S.E., Koenen, K.C. (November, 2011). Childhood adversity, adult stressful life events, and risk of past-year psychiatric disorder: A test of the stress sensitization model in a population-based sample of adults. Symposium presented at the Annual Meeting of the Advancement for Behavioral and Cognitive Therapies, Toronto.

McLaughlin, K.A, & Hatzenbuehler, M.L. (March, 2011). Mechanisms Linking Socioeconomic Adversity to Mental Health Problems: The Role of Emotion Dysregulation. Symposium presented at the Biannual Meeting of the Society for Research in Child Development, Montreal.

McLaughlin, K.A., Hatzenbuehler, M.L., Hilt, L., & Nolen-Hoeksema, S. (November, 2009). Reciprocal relationships between rumination and interpersonal stress in the development of adolescent internalizing symptoms. Symposium presented at the Annual Meeting of the Association for Behavioral and Cognitive Therapies, New York.

McLaughlin, K.A., Hatzenbuehler, M.L., & Nolen-Hoeksema, S. (July, 2009). Stressful life events, rumination, and the development of internalizing symptoms in adolescents. Symposium presented at the Annual Meeting of the British Association for Behavioural and Cognitive Therapy, Exeter, United Kingdom.

McLaughlin, K.A. (May, 2009). Exposure to childhood adversity and psychiatric morbidity in the United States. Talk presented at the Annual Meeting of the Robert Wood Johnson Foundation Health & Society Scholars Program, San Diego, CA.

McLaughlin, K.A., Hilt, L., & Nolen-Hoeksema, S. (May, 2006). Emotion regulation and internalizing symptoms in adolescents: Gender and ethnic differences. Symposium presented at the 18th Annual Association for Psychological Science, New York.

McLaughlin, K.A., & Mennin, D.S. (November, 2005). Emotion regulation deficits in generalized anxiety disorder. Symposium presented at the 38th Annual Association for the Advancement of Behavior Therapy, Washington DC.

CLINICAL EXPERIENCE

Clinical License: MA 9549

2011 - 2013 Staff Psychologist
Department of Pediatrics, Boston Children's Hospital

2010 - 2011 Post-doctoral Clinical Fellow
Department of Psychiatry, Boston Children's Hospital
Supervisors: Eugene D'Angelo, Ph.D., Amy Tishelman, Ph.D.

2008 Pre-doctoral Internship
Department of Psychiatry, Child Psychiatry Division, Boston Medical Center

Supervisors: Cynthia Chase, Ph.D., Marsha Conant, Ph.D.

2007-2008

Pre-doctoral Internship

National Center for PTSD, Boston VA Healthcare System

Supervisors: Brett Litz, Ph.D., Brian Marx, Ph.D., Karen Krinsley, Ph.D.

SERVICE

Leadership:

Board Member, Society for a Science of Clinical Psychology (SSCP)
Secretary-Treasurer, 2016 - 2019

Scientific Advisory Board; AIM for Mental Health, 2017 -

Editorships:

Action Editor: Developmental Cognitive Neuroscience (2018 -)
Action Editor: Affective Science (2019 -)

Editorial Boards:

Biological Psychiatry (2018 -)
Clinical Psychological Science (2018 -)
Development and Psychopathology (2016 -)
Journal of Abnormal Child Psychology (2014 -)
Journal of Clinical Child and Adolescent Psychology (2016 -)

Guest Action Editor, Proceedings of the National Academy of Sciences
(2018 -)

Guest Editor, Special Issue on childhood adversity and physical health,
Psychosomatic Medicine (2016)

Grant Review:

I have served as a grant reviewer for the National Institute of Health
(NIH; Mechanisms of Emotion, Stress, and Health Study Section); National
Institute on Child Health and Development (NICHD), National Science
Foundation (NSF), the Russell Sage Foundation, and the
Netherlands Organization for Scientific Research

Program Review:

I have served as a reviewer for several national fellowship programs including
the University of Colorado at Denver Psychobiology T32 training grant and
the Robert Wood Johnson Foundation Health and Society Scholars Program

Conferences:

Program Committee and Review: Society of Research on Child
Development, 2017 Meeting; Program Committee and Review: Flux
Congress for Developmental Cognitive Neuroscience, 2017 Meeting;
Program Committee and Review: International Society for Traumatic Stress
Studies, 2017 Meeting

International

I was one of three members of the task force of the International Society for
Traumatic Stress Studies to establish trauma and PTSD as public health
issues and a primary author on the task force report (2014).

I was one of three organizers of an international meeting on child development hosted by the Jacobs Foundation in Zurich, Switzerland (August, 2013).

I was a co-author on a report on Inequality and Child Mental Health for the William T. Grant Foundation:

<http://blog.wtgrantfoundation.org/post/114541733572/new-report-disparities-in-child-and-adolescent>

Scientific Review: I have served as an ad-hoc reviewer for a wide range of journals in multiple disciplines including:

General:	<i>Proceedings of the National Academy of Sciences, Journal of the American Medical Association, Psychological Bulletin, Psychological Review, Journal of Experimental Psychology: General, Current Directions in Psychological Science</i>
Child Development:	<i>Child Development, Developmental Psychology, Developmental Science</i>
Clinical Psychology:	<i>Journal of Abnormal Psychology, Journal of Abnormal Child Psychology, Journal of Clinical Child and Adolescent Psychology, Psychological Medicine, Depression & Anxiety, Journal of Child Psychology and Psychiatry</i>
Social Psychology:	<i>Journal of Personality and Social Psychology, Psychosomatic Medicine</i>
Psychiatry:	<i>Archives of General Psychiatry, American Journal of Psychiatry, Biological Psychiatry, British Journal of Psychiatry, Journal of the American Academy of Child and Adolescent Psychiatry, Journal of Child Psychology and Psychiatry, Neuropsychopharmacology</i>
Epidemiology & Public Health:	<i>American Journal of Public Health, American Journal of Epidemiology, International Journal of Epidemiology, Journal of Epidemiology & Community Health, Social Science and Medicine</i>
Cognitive Neuroscience:	<i>Social, Cognitive, and Affective Neuroscience, Developmental Cognitive Neuroscience, Frontiers in Human Neuroscience, Journal of Neuroscience, NeuroImage</i>

COMMUNITY ENGAGEMENT

- 2019 Training of 150+ clinicians (psychiatry, social work, primary care)
Partners Health Care
Boston, MA
- 2019 Public lecture
The Long Shadow of Childhood Adversity
University of California at Los Angeles; Los Angeles, CA.
- 2019 Public lecture
Science by the Pint – Guest Scientist
Somerville, MA
- 2017 Public lecture

Learning from experience: How does the developing brain adapt to environmental adversity? 12th Annual Allen L. Edwards Public Lecture. University of Washington; Seattle, WA.

- | | |
|-------------|--|
| 2017 | Community Training
The Neuroscience of Adversity
Clinicians, case workers, and policy analysts
Casey Family Foundation; Seattle, WA |
| 2014 - 2017 | Girls in Science Program
Stress and Development Lab module on emotional learning for after-school program curriculum focused on engaging middle-school girls in science

| 2014 | Community Training
Trauma Exposure and the Developing Brain: Implications for Intervention
Over 100 local clinicians and school counselors
Youth Eastside Services; Bellevue, WA |
| 2014 | Community Training
Trauma Exposure and the Developing Brain: Implications for Intervention
Clinicians, physicians, and administrators
Odessa Brown Clinic; Seattle, WA |
| 2014 | Community training
Trauma Exposure and Neural Development in Children
Clinicians and Prevention and Education Coordinator
Harborview Center for Sexual Assault and Traumatic Stress; Seattle, WA |
| 2013-2014 | 3 Community Trainings
Childhood Adversity and the Developing Brain: Using Neuroscience to Inform Effective Interventions
Clinicians and Case Managers
King Country Sexual Assault Resource Center; Seattle, WA |
| 2013 - | Brain Awareness Day
Stress & Development Lab hosts bi-annual event for children and adolescents from local schools in low SES neighborhoods to participate in games and learning modules about the brain and neuroscience |
| 2013 | Community Training
Trauma Exposure and the Developing Brain: Implications for Intervention
Clinicians and administrators
Atlantic Street Center; Seattle, WA |
| 2013 | Community training on Trauma Exposure and Neural Development |

Clinicians, Case Managers, and Executive Vice-President
King Country Sexual Assault Resource Center; Seattle, WA

- 2012 - 2014 High School Internship Director, Stress & Development Lab
Internship training for high school students from disadvantaged backgrounds
Provision of training and mentorship in psychological science
Boston, MA and Seattle, WA
- 2009-2012 Boston area *Summer Search* Mentor and Internship Placement Site
Summer Search provides intensive mentorship for students from low-SES
backgrounds to support entry to college
